The Esquire who has achieved the highest score among all the qualified Esquires in the parade, wins the State Award for the Best Esquire. The 2nd place Best Esquire State Award is given to the qualified Esquire with the second highest score. Once an individual captures a State Award, they are eliminated from receiving a Membership Group Award, in that particular category. (In this example Best Esquire)

Membership Group Awards:

250 members or less

251-500 Members

501 Members and over
