

Dear brothers and sisters,

Elk TAM training is now mandatory for all bartenders and servers. It is essential that house committee members and others in authority e.g. ERs and Knights should be certified for the program to work as planned. Every district has its own regularly scheduled annual class. The problem that arises is the need for new certifications that occur after that class has been held or the class is months away. Grand Lodge Sponsor Malcolm J. McPherson Jr. PGER and the TAM training committee's solution is that you may take the TAM course online only if you are a new certification. You may also elect to attend any TAM class anywhere in the state anytime as they are open to all. This certification is only valid until your district has its regularly scheduled training class which you'll then have to attend and pass. This allows lodges to stay fully staffed.

You must send a photo copy of your drivers license and the online TAM certificate along with your cell number, email address, and lodge to your region TAM co-chairperson

Never hesitate to contact me with any questions

Look forward to seeing you in class,
