Re: New Jersey State Elks “Peer Leadership Program”

Dear Educator, Parent, Guardian:

The New Jersey State Elks’ Association is proud to announce that we will be holding our 35th annual Peer Leadership Conference. The Conference will be held on February 2nd through the 4th, 2024 at the Ocean Place Resort and Spa in Long Branch, NJ. Our conference is open to all high school students. Each year over 400 students from all parts of New Jersey attend our conference.

The objective of the conference is to increase participant’s ability to make healthy decisions for themselves and to assist their peers in doing the same. The Conference provides the students with specific tools and resources to implement action plans in their communities to educate their peer groups and communities on the skills learned at the conference. The conference gives participants knowledge and information that promotes wellness, good judgement & healthy choices.

The cost of the conference is \$385 per attendee which includes all accommodations, meals, and access to all seminars, workshops, presentations, and activities.

To learn more about the conference and see information from last year’s conference you can visit the conference website at: <https://sites.google.com/view/njelkspeerleadership>.
